

WORKSHOP

ARPEL SUSTAINABILITY COMMITTEE 2024

Collaboration Across Companies in Latin America and the Caribbean

JUNE 11 - 12

Bogotá, Colombia

LANGUAGES SPANISH / ENGLISH

AGENDA

1:00 pm | WELCOME REMARKS

Mónica Jiménez | Sustainability and Legal Strategy Director
Clara Gómez | Sustainability Manager

1:15 pm | WORKSHOP INTRODUCTION

Presented By Pablo Ferragut, Arpel

- Welcome and Contextualization of the Workshop
- Arpel's Approach to Sustainability in the Energy Industry in the region

AGENDA DAY 1.

Material issues in ESG and Sustainability in Oil and Gas in Latin America and the Caribbean

2:00 pm | Introduction of materiality priorities in partner companies.

Objective: To facilitate companies the opportunity to present and define their material issues in the context of their operations and sustainability strategies.

4:00 pm | Roundtable on Social Impact and Benefit in the ESG-Sustainability Framework

Carlos Aya, Shell
Leonardo Cellini, YPF
Soledad Rodriguez, ANCAP

Objective: To explore the trends and development of mechanisms applied in companies to assess social impact and benefit within the ESG-Sustainability framework. In the panel discussion, we seek to analyze how impact analysis determines best practices in social investment and the development of affected regions.

AGENDA DAY 2.

Integrating ESG-Sustainability in business performance

9:00 am | Presentation: Global Trends in ESG-Sustainability

Presented by **Monica Ospina, Arpel**

Objective: To explore global trends in ESG-Sustainability and their application in the industry, analyzing the effect of ESG in listed companies, describing what and how greenwashing is defined, exploring the impact of ESG in investment portfolios, analyzing its effect on commercial and multilateral banking, and understanding trends in sustainability reporting.

10:00 am | Panel Discussion: Transparency and Compliance in ESG-Sustainability.

Presented by:

María Archimbal, Chief Compliance Officer YPF.

Mónica Jiménez, Sustainability and Legal Strategy Director

Moderator: Mónica Ospina, Arpel

Objective: To examine global trends in ESG-Sustainability transparency and compliance, addressing implementation in companies and evaluating the mechanisms that support operations. This involves presenting ESG-Sustainability transparency, describing implementation tools and assessing their operational impact on the industry.

11:30 am | Discussion: The Development of the Sustainability Report

Presented by:

Ecopetrol | Monica Tangarife

Geopark | Clara Sofia Gomez

Objective: Through a group discussion we seek to capture the experience of the panelists to provide information and discuss the development of sustainability reporting and the transition to integrated reporting, with the special participation of Ecopetrol, Geopark and Raízen. A space will be opened to include participation and questions from all participants.

1:30 pm | Sustainability Committee Strategy and Action Plan 2024 - 2025

Guided by Arpel and participation of Committee Members

Goal: Define the Sustainability Committee Strategy and Action Plan 2024 - 2025 to support member company development and address emerging ESG and sustainability needs.
